

THE STATE OF TEXAS

GOVERNOR

 *To all to whom these presents shall come,
Greetings: Know ye that this official recognition is presented to
all observing*

Annuity Awareness Month

June 2026

Texas is proud of the role it plays in the global economy. As a leader in innovation, opportunity, and economic growth, the Lone Star State continues to prepare for a prosperous future while helping Texans build financial security for themselves and their families.

As Texans plan for retirement and long-term financial stability, many seek dependable strategies to help meet immediate and future financial obligations. Annuities can provide a predictable source of income, help manage financial risk, and offer greater confidence in retirement readiness. For many individuals, they serve as an important tool in addressing the concern of outliving retirement savings while supporting long-term goals and financial independence.

Given that decisions regarding retirement planning are among the most significant financial choices individuals and families will make, access to trusted guidance from qualified insurance and financial professionals is invaluable. Through educational efforts such as Annuity Awareness Month, consumers are encouraged to learn more about the role annuities can play in retirement and legacy planning and to make informed decisions about their financial future.

First Lady Cecilia Abbott joins me in encouraging all Texans to observe Annuity Awareness Month with appropriate programs and activities.

*In testimony whereof, I have hereunto signed
my name and caused the Seal of the State of
Texas to be affixed at the City of Austin this the
15th day of May, 2026.*

Greg Abbott
Governor of Texas
